The care and attention has not changed for generations. We use only the freshest ingredients. Everything from sauces, salad dressing, to bread is all made from scratch on a daily basis. Our chefs arrive five hours before dinner to begin the process. All of our entrées are made to order to ensure the perfect union of flavors and appearance.

At Altruda's, authentic family recipes have been handed down. Every meal with comes with their homemade salad and specialty garlic bread. Come join us. Dine & connect with some other fun folks in our community.
