

GET ON YOUR BIKE *And Ride!*

THURSDAY, APRIL 6
Maryville Greenway

74 Mostly flat miles

Believe it or not, there are some relatively flat greenways in the area! This is a beautiful 14-mile out and back ride that is good for all skill levels on a mostly blacktop path for a smooth ride. It meanders along a tranquil stream for a bit, and takes about 1.5 hours.

Optional Lunch

Recharge with us after the ride at the **BLUE TICK TAVERN** at 128 W. Broadway in Maryville. You will have earned it!

Meeting Location

We will meet at **THE DEPOT** parking lot in Maryville at 9:30 am and be ready to ride at 9:45. To get there, take 444 to 321 North towards Maryville.

Follow for 18 miles and take a slight **L** onto Broadway Ave. In a half mile, turn **L** onto Cusick. Take the first **R** onto McCammon. The parking lot will be on the **R**.
