

THREE DOG NIGHT: With a music career spanning 4 decades, Three Dog Night have certainly earned the right to be one of America's most iconic bands. With a vast back catalogue of smash hits like "Mama Told Me (Not to Come)", "Joy to the World", "Black and White", "Shambala" and "One" it would be easy for Three Dog Night to rest on this legacy; however, this band is not one for taking a break and are always looking for new ways to increase their audience.

Three Dog Night have enjoyed 12 albums reaching gold status, 21 Billboard Top 40 songs and three US number ones, as well as a UK number one! These impressive statistics confirm that Three Dog Night are still the creme of the crop of the rock scene.

Three Dog Night will be featuring their impressive back catalogue as well as presenting their brand-new work to audiences across the US! This must see show for any rock fan, don't miss Three Dog Night when they come to your town.
