Home-Cooked Authentic Peruvian Cuisine

Come and enjoy a private Peruvian dinner at Estefania Nance's home. If you have never tried Peruvian food, you are in for a treat. Peru has a gastronomic culture as wonderful as all of Peru, enjoyable for all who like to discover new flavors, new recipes and new feelings.

We Peruvians are proud of our cuisine. Regional cuisines evolved from a combination of northern ancient cultures, southern flavors influenced by European and Andean customs, and tropical components of the Amazon region.

The menu will include three appetizers, two main dishes, and several desserts made with Peruvian fruits. A variety of drinks will be included: "chicha," the drink of the Incas and made from "maiz morado", Inka Kola, a Peruvian Pisco-based "Chilcano" cocktail, and a taste of "Black Whiskey" imported from Peru. Meat choices in the main dishes will be determined by the preferences of the guests.

Like we say in Peru "ven a disfrutar una comida casera y deliciosa" (come enjoy a delicious homemade meal.) These are some samples of Peruvian dishes:
