HOA - POA Candidates Forum

Thursday October 22, 2020

4PM to 6PM

- The Meeting Topic is “POA Election Forum sponsored by the HOA”.
- The date is tentative depending on candidate availability. We will finalize the date ASAP.
- The purpose of this meeting is to give viewers a chance to hear from all the candidates that are running for the two available positions on the POA board.
- Due to Covid-19, this forum will be held in the Yacht Club. The candidates will be present. The event will be live-streamed on TVB. It will also be recorded for later viewing. No other individuals other than those who are participating or running the event will be allowed into the room. It will be run similar to how the POA Board Meetings are now run.
- We will solicit questions before the meeting that the moderator will present to the candidates. In addition, during the meeting, attendees will also be able to submit questions in real time using CHAT. Chat questions will be monitored and moderated by the HOA.
- These are our current plans, subject to change as the COVID situation evolves and the community and POA adjust. So stay tuned.
