HOA Golf Scrambles

No handicap required • Couples and Individuals • Emphasis is on having fun!

HOA Golf is a nine-hole scramble format event for **all levels** of golfers, couples as well as singles. This event is a great opportunity to meet other residents of Tellico Village, without the pressure of competition. There are no trophies or standings – just an afternoon of **FUN!** In our typical scramble format, all players tee off and then all play their next ball from the location of the best tee shot, repeat until the ball is holed.

HOA Golf Scrambles occur on the 2nd & 4th Wednesdays from April thru October, with a shotgun start, often followed by an optional (but highly encouraged) dinner and cocktails. Please arrive by 3:30 PM to pay applicable green & cart fees in the pro shop so we can start promptly at 4 PM.

Who can play? Any HOA member can play, but must first **register for 2022 HOA Golf** on TellicoLife and pay a one-time fee of \$15 per player.

Shotgun start when 36 or more golfers have signed up

Tee time start when less than 36 golfers have signed up 7 days prior to the scramble
