HOA Cocktails & Games

CARDS? BOARD GAMES? MAH JONGG? DOMINOS?

How do I play? - How do I find people to play with? - Meet new people - Have Fun
The HOA Social Committee is going to help you with this.

Guidelines

- Sign up to join a group of approximately 6-8 for a get together of cocktails, beverages and whatever games the host or group chooses.
- Groups are randomly formed. The members of the group are notified by an Email sent from the event coordinator who assigned members to the group. The group then moves on to become independent and on their own.
- The group will then put together their first game night, setup a schedule and arrangements for taking turns hosting.

Cocktails & Games is an on-going sign-up activity
