Genealogy - Digging into Your Family History (For the Beginner)

January 26, 2021 - 4:00pm – 5:00pm via ZOOM.

**Special Introductory Session co-sponsored by
HOA & The Public Library at Tellico Village**

Instructor Sam Maner, local author of several genealogical publications and previous Ancestry.com worker, and Instructor with Pellissippi State Community College, Tellico Village Public Library and now Roane State, shares his years of genealogy expertise with participants.

This will be a Zoom video conference class limited to 20 attendees. Don't worry if you only have your parents' name and a vague location for their birth or death if deceased - this is the class for you. We will explain all the ins and outs of Genealogy.

Class will run approximately 1 hour with time allowed for questions throughout. The instructor will also be available for set times for individual help. Follow-up advanced group classes will be scheduled in the coming months.

Please sign-up on Tellico-Life through HOA - Cost is only \$5 to reserve your spot. Last day for sign-up will be January 22. Once registered, attendees will receive via email a Zoom link to the meeting. Attendees should make sure they have a good internet connection for the best experience.

Please email Sam Maner @ sr1776@yahoo.com if you have any questions.
