“PSYCH!” - On-Line Game

February 11, 2021 - 7:00pm – 8:00pm via ZOOM

Join your host **Chris Ormerod** for a fun game of Psych! Like to play Zoom games with friends? You guessed it; this is one of the best games on Zoom. So grab your smart devices and bluff til the truth comes out

Object of the Game: Each Team makes up fake answers to real trivia questions. Can you outwit your fellow Tellico Villagers and choose the outrageous real answer among your friends’ fakes? Watch the truth come out! Get points for choosing the right answer in this tricky guessing game, and for each other Team you PSYCH! into choosing yours. Bluff your way to the top!

What you will need to Play the Game: The game will be played by Teams. Each Team (one, two, or more people) will need the following equipment:

One device that can run a Zoom meeting with a reasonably good internet strength. Chris will host and run the game – plus you’ll be able to see and talk to your competition. A little smack talk never hurts!

A Second Device that will be downloaded with the Psych! Game (from the APP store – free and easy to download).

That’s it.

Cost: Free – Can’t get better than that!

Prizes: Unfortunately, there won’t be any prizes for this event, but you’ll have the deep satisfaction of beating your neighbors!

Maximum Participants: 10 Teams. Each team will be provided one link to the game. Again, a team can be one, two, or more people.

How Do I Sign Up: simply register on TellicoLife. When we will close registrations on Jan 31st, we will send each Team the Zoom link. Prior to the meeting each Team must download Psych! to a different device (suggest smartphone). And each team should think of a good Team name which will be used to report answers and keep score. Clever is good but let’s keep it clean!
