**Make-A-Mug Online
Workshop
Friday, February 12th,
2021 @ 9:00am
\$12 per person**

HOA has partnered up with the Knoxville Fine Arts and Craft Center (KAFCC) to offering a wonderful assortment of classes in various mediums for you to learn or expand your skill. These are fun activities you can complete from your own home.

KAFCC brings our most popular one-day workshop to the internet! If you have ever wanted to make your own ceramic mug but do not want to throw on the potter's wheel, or if you just want to brush up on your hand building skills, then this class is for you! No clay experience is needed to join in the fun! You'll design and make your mug with the help of a recorded demo by Amanda Humphreys. KAFCC will provide the clay, tools and instruction needed to complete one mug at home. Students will need to have access to a computer and be willing to have fun! KAFCC Staff will fire and glaze the mugs after the class.

Sign up information is below.

 - a. then Sheryl, as your HOA Event Coordinator (EC) will be doing the following for you:
 - i. picking up the necessary tools, materials, etc. from the KAFCC for each class participant. Class participants will need to pick up at the EC's home prior to the class starting - the day before the class starts.  3. picking up the finished projects for pickup by class participants. EC will notify you when ready for pickup.
- 4) If we don't get three individuals signed up for the class, Sheryl will email you and you'll have to either 1) pick up and return your materials yourself, 2) make arrangements with the other participants, or 3) drop the class (24 hours cancelation window before the class with KAFCC).
- 5) On the Friday of the class, at 9 a.m. sharp, the KAFCC will release a YouTube Link on their website. Right next to where you signed up. Here's the link again:
