HOA Board Meeting

HOA Board Meeting Conference Meeting Invitation

Normally held 1st Monday of every Month.

09:00 a.m. to 11:00 a.m. Eastern Time

Following COVID-19 prevention guidelines, the HOA Board has decided it will hold board meetings by video conference instead of in-person for the foreseeable future. HOA Board meetings are open to all HOA members and residents to attend.

We will be using a videoconferencing application call **Zoom**. It is very easy to use and simple to set up.

To Join the Zoom Meeting – simply click on the link below and follow the instructions. Or copy the URL into your browser and click SEND.

Meeting ID: 993 5346 3196

Password: 029879

You will be redirected to the Zoom site and a small application will be downloaded on to your computer, mobile phone, tablet, or laptop enabling you to connect to the meeting. The applet is safe. If you wish you can remove it after the meeting or leave it on your device for future Zoom meetings.

You may be asked to enter the Meeting ID and Password. You may also be asked you test your microphone and speakers so you can hear and speak during the meeting. Just follow the instructions.

Once you have everything set up, if the meeting hasn't started, you will be placed into a "Waiting Room". A message will appear stating that the meeting will start soon. You don't have to do anything more at that point. You will automatically be added to the meeting when it starts.

Once the video screen opens you will see a video of yourself (and perhaps others) and the following menu bar. The only controls you need to worry about are the two on the left: Mute/Unmute and Start/Stop Video. Leave video on (as it is shown) all the time, and **keep your microphone muted (as it is shown) unless you are speaking**. At the top of your window, you will see a button for "Gallery/Speaker View". Keep it set to Gallery View as you will be able to see everyone who is on the meeting, including yourself. Their picture will be highlighted when they are speaking.

AUDIO ONLY

If you are unable to connect to the video conference or for some reason your microphone isn't working, you can dial in to any of the numbers below and follow the instructions to participate by audio only.
