What does it take to coordinate a new villager's event?

It's a lot like planning an event for your friends and family

- We will help you with the entire process
- You can pair up with a friend & coordinate event together
- Pick an event, place and date
- Figure out costs and number of people you can have join you
- Create a Flyer & get posted on TellicoLife
- Coordinate payment
- Enjoy the event with fellow new villagers and make new friends

We are always looking for new ideas of new events

OR

You can repeat an event & learn from someone who did it last year
