Indian Boundary Lake Trail

This is an easy, flat 3-mile loop trail that circles the lake located near Tellico Plains, TN. It is located in the Cherokee National Forest and believe it or not, it is easy with only 124 feet of elevation change.

We will then meet for lunch at Iron Works Grille. What a great way to start the Holiday Season! Get your Jingle Jangle on with a fun walk with your new friends!

The drive time is 1 hour 15 minutes. Take 444 then turn left onto SR-72. In 6.1 mile turn right onto US-411. Follow for 7.2 miles then keep right toward Sweetwater, Tellico Plains, then turn left onto SR-68. In 12 miles turn Left onto Cherohala Skyway. Turn left onto Indian Boundary Road in 14 miles. In 1.3 miles turn right. The trailhead will be on your right in 1.2 miles.

Let's meet at the Chota Center Parking lot located across from the Marathon Gas Station and Welcome Center at 8:15 am. We can carpool from there. Remember, if you do ride with someone, consider sharing for the price of gas.
