COOK N CRAFT ACADEMY INSTRUCTED BY 8 TIME EMMY AWARD WINNING PRODUCER CHRISTINA DEYO

Welcome to Cook N Craft Academy where we encourage creativity in the kitchen and art studio. Hands on fun, baking, cooking, creating and crafting. We teach kids (and kids at heart) ages 4 to 99 the art of cooking and crafting. Every week there are different classes to suit all interests. Cook N Craft Academy is led by 8 time Emmy Award winning producer Christina Deyo. She trained under the watchful eye of culinary and crafting giants Martha Stewart, Rosie O'Donnell, Geoffrey Zakarian, and Emeril Lagasse to name a few. Christina is often recognized as on air personality CRAFTY CHRISTINA from the Rosie O'Donnell Show as well as the host of her own Food Network show "Lighten Up". Her daytime credits include, "The Martha Stewart Show", "The Rosie O'Donnell Show", "Emeril Lagasse", "The Kitchen", "Life and Style", and "The Sally Jessy Raphael Show".
