History - Hiking - Fun - Lunch

Join fellow new villagers for a fun day of history, hiking, and eating at Norris Dam State Park. We will briefly stop to visit the W.G. Lenoir Museum before proceeding across the road to hike the Songbird Trail. This 2-mile loop trail is mostly hard surfaced or paved, wide, and flat with only 55 feet of elevation gain total. This trail is rated as EASY and should present little challenge for anyone accustomed to regular walking activity. After the hike, we will go to the Clinch River Brewing Company (across the road from the trail) for lunch as a group. Following lunch, all will return home on their own.

Note: We will be back in plenty of time for anyone to attend the NV meeting that evening.

COVID 19 Protocols: Until conditions improve, carpooling is discouraged. Social distancing is recommended while hiking. Masks are optional while hiking.
