

NEW VILLAGER'S RAFT-OFFS

First July Raft Off Monday July 12th

**Online sign up will be available on the NV event calendar
on June 4th, raft off location to follow**

Sign up will close on Tuesday, June 29th

We've got captains volunteering their boats to help you enjoy all that Tellico Lake has to offer.

All you have to bring are your towels, sunscreen, your own beverages and snacks (we won't be sharing these as we have in the past) and your own floats or noodles. The water will be nice and warm.

Once you sign up, you will be sent directions where to meet your boat. Your captain will take you to a cove on the lake where we will raft-off. Once we are all tied up, it's time to jump in the water. We will spend an hour or two floating around meeting each other. Then, its back on the boat and back to your boarding dock.

Maximum number of people is 60. If full when signing up, email me to be put on the wait list.

Cost is \$7.00 per person for this event.
