*Uptown Moonlighting's* (UM) music is a mix of many decades of rock and roll and aims to "**Play music you Like and Remember**" which is its motto. The band's experience is your assurance for a great event. UM's philosophy of great sound and perfect volume is the foundation of a wonderful experience. Four-part harmony is one of the bands key features. It's unique in offering 2 outstanding female lead singers, featuring several female duets and popular songs with female vocals. The band strives to play music as you know it with offering a variety for many ages. UM's 6 members offer the ability to cover a wide variety of music. A few of the many band's music covered are: Fleetwood Mac, Heart, Journey, Pretenders, Etta James, Linda Ronstadt, Beatles, Elvis, Janis Joplin, Aretha Franklin and many other artists. Some of *Uptown Moonlighting's* specialties are: 4 lead singers, many years of experience in playing venues in the Knoxville area, outstanding sound with a great mix that is not over powering to its audience. You'll love the soulful vocals of lead singer, Elisa Gillespie.
