

NEW VILLAGERS RAFT-OFFS

Wednesday, July 29
Monday, August 10
Friday, August 21

1:00PM to about 4:00PM

It's time to let the fun begin. We are scheduling these classic raft offs and hope you will join us. We've got captains volunteering their boats to help you enjoy all that Tellico Lake has to offer.

All you have to bring are your towels, sunscreen, your own beverages and snacks (we won't be sharing these as we have in the past) and your own floats or noodles. The water is already nice and warm.

Once you sign up, you will be sent directions where to meet your boat. Your captain will take you to a cove on the lake where we will raft-off. Once we are all tied up, it's time to jump in the water. We will spend an hour or two floating around meeting each other. Then, its back on the boat and back to your boarding dock.

The cost for this event is \$5 per person. Sign up on line at Tellico Life https://tvlife.memberclicks.net/index.php?option=com_jevents or at an upcoming social.

NOTE: If you sign up at a social, you will still need to go online to make a credit card payment.
