BYOB AND SNACKS

Straight out of Knoxville, **Ducktown Mission** is a group of accomplished singers and multi-instrumentalists who have been making music for ... well, a very long time. Inspired by the "country rock" of 1970's Southern California, **Ducktown Mission's** rich vocal harmonies and fiery playing provide a powerful music experience. In a rousing show, the band delivers timeless hits along with a few numbers that are sure to surprise. (NOTE: Some of the members have performed, here at the Historic Loudon Theatre, as a part of another group.)
