

New Villagers Golf

New Villagers (NV) golf is a nine-hole scramble format for ALL LEVELS of golfers: couples as well as singles.

This NV event is a great opportunity to meet other New Villagers without the pressure of competition. There are no trophies or standings – just an afternoon of **FUN!**

Scheduled on all but the first Thursdays from April through October, with a shotgun start beginning at 4:00pm, often followed by cocktails and dinner.

We rotate between the Tanasi, Toqua and Kahite golf courses. We also work to rotate pairing assignments, so you play with new friends every single week.
