Congressional candidate, Cuban-American, music video producer, former Hollywood celebrity, avowed conservative and candidate for the US Congress. He is running against 36 year Democrat congressman, Jim Cooper, in an effort to oust Mr. Cooper from Tennessee’s 5<sup>th</sup> Congressional District, in Nashville. Don’t miss this one! Mr. Starbuck is an up and coming star in the Republican party.

Robby Starbuck is a producer and director known for the cinematic style. He has produced over 1,000 projects at his company RSM. Collectively his work has been viewed over 5 billion times. Robby has directed and produced the official music videos for multiple feature films such as Terminator: Genysis, Transformers, The Last Knight and Spongebob. Robby has directed and produced Hollywood stars like Natalie Portman, Jamie Foxx, Brad Pitt, Gina Rodriguez, Megan Fox, Josh Duhamel and many more. He’s also directed and produced the biggest names in music. Robby decided to risk his career by coming out as a proud conservative after seeing the warning signs of socialism in the United States. Being the son of a Cuban refugee inspired his entrance into politics as he reflected on the horrors his family had experienced in Cuba. Those experiences were seared into his

mind as a young man by his Mom and Grandparents as they recounted to him how Cuba had been destroyed by leftism. It was all he needed to jump into politics to ensure he stood up and did something to prevent a similar decline for the United States. In 2015 Robby publicly endorsed President Donald J. Trump and began to publicly promote the President's policies that put America First. Needless to say, his industry was not happy that he came out as a proud Republican but that just made him get louder. He's been interviewed on President Trump's Facebook Page by Lara Trump, OAN, Bill O'Reilly, Fox News, Fox business, Breitbart, Sirius XM, Hugh Hewitt Show and many more. He's written political op-ed's in The Federalist, Orange County Register, LA Times and the Western Journal. He has recently announced his candidacy for Congress in 2022 in a bid to unseat Democrat Jim Cooper of Nashville. Robby has been endorsed by: Trump's lawyer Jenna Ellis, Congresswoman Lauren Boebert, Senator Rand Paul, Charlie Kirk, Kimberly Klacik, Turning Point USA, Rudy Giuliani and many more are on the way. He and his wife also host a podcast called GrowUp Live where they talk about political issues and culture, interview culture influencers and political guests like Senator Rand Paul, Congressman Ken Buck, Dinesh D'Souza, Dennis Prager, Former Acting DNI Richard Grenell and many more. Robby announced his candidacy at CPAC in February 2021.
