Your captain becomes incapacitated or falls overboard. You're the First Mate and find yourself suddenly in command. What can you do? Where are you? What are the priorities? Are you prepared?

This unique 3 hour boating class is designed for those not generally at the helm, and will help you to "be prepared" with practical knowledge skills to apply in case of an emergency. Pat Rule is not only our instructor for Now in Command, she actually created this class. Pat is an experienced, qualified Coast Guard Auxiliary Coxswain (CAPTAIN) and will help you acquire the knowledge and confidence to better enjoy your boating experience and take command, if needed, in an emergency.
