

Baker Creek Paddle

Wed. June 3rd

Leaves Sloan's Parking Lot at 8:30 A.M.

Stops at Derby Downs Strip Mall at 8:50 A.M.

The paddle is an easy & tranquil trip down Baker Creek.

The paddle is rated easy. We will travel approximately 5 miles through a wilderness setting that promises many bird sightings. It will be an "In and Back" paddle so if kayakers are not up to the full distance they can simply turn around and return and paddle back to the launch site at Morganton boat ramp off the East Tellico Parkway.

Paul Miller will be leading the paddle assisted by Ingrid Warren.

Directions: From Sloan's take Route 72 south for 6.0 miles and turn left on U.S. 411. Drive 5.0 miles on Hwy 411 and then turn left onto East Coast Tellico Parkway. Travel 1.8 miles and turn left onto Morganton Cemetery Rd. Go a short 0.2 miles to turn into the boat ramp parking lot on your right.
