

*"Helping Our Members Untangle Technology"*

## Our Mission

Club (TVCUC) is a state-registered 501c3 non-profit organization founded to:

- help members learn to maintain safe and effective use of their computers and devices.
- provide educational support in computer applications, software and hardware.
- help members learn to enhance practical understanding of current technology.
- share knowledge, and experiences in ecosystems such as Microsoft, Apple, and Google.
- help members learn to be purposeful in their use of technology, and to be purposeful in their use of technology, and to be purposeful in their use of technology.
